

MEETING OCTOBER 9, 2024

Board Members Present: Chuck Landever, David Ray, Shirley Landever, Maria Deckert.

Minutes Read, Treasury Report Given.

Medical Loan Closet-Greg Schletter and others helping with the supply closet. Insulation was to be delivered 9/27; rescheduled. Target completion is mid December.

Dog Park-Completed. Part of stone for medical loan closet was used in park.

Women's Self Defense Class-Instructor wants a guarantee of \$150/class. We are not able to do that. He can use the building free of charge, but cannot be guaranteed participation.

Swing Set-Grants decisions were not favorable. Hickory Nut Gorge granted \$2000. Chuck and Shirley want to donate \$2000 and asked to use center funds of \$2000. Board voted and approved using BCCC funds. David Ray suggested building versus buying. Total budget is \$6000 for mulch, insulation, etc.  
*installation*

Floor Refinishing-Need to do the complete work of stripping the floor, sanding, staining. On back burner for now.

BCCC Building Needs-Chimney work is needed; it's still leaking. Reece's Klean Sweep (recommended by Diana Costanzo) will be called for quote. Kitchen floor is buckling, possible due to humidity. Suggested that we encapsulate underneath the building to control humidity. These issues take priority over restraining the floors.

Water Pump-stopped working but was reprimed and is now working but it was discovered that it is leaking. Getting quotes to replace pump.

Music Festival-RHI Legacy Foundation set up a special fund matching up to \$50000 to use in Rutherford County for Hurricane relief. Suggested that we give donations collected at the festival to RHI. Voted and approved by board. Will ask for suggested donation \$10 hamburger, \$5 hot dog, \$1 drink if able. Diana Costanzo offered to make the signs.

Meeting adjourned at 7:15pm
