

MEETING: June 10, 2025

Meeting was called to order 6:35pm.

Board Members Present: Chuck Landever, Dave Ray, Shirley Landever

There was no meeting in May.

- Greg Schletter replaced railings and finished front deck, replacing rotted boards underneath.
- The electric to the MELC has been worked on by Clif Swan. MELC is full of donations and has a good flow of requests. Lake Lure Baptist Church will let congregation know of availability.
- Dog Park is busy. One woman wanted to use park for profit and placed an ad. She was told to remove ad and that the park could not be used for profit.
- Music Festival sponsors are all in: Lyn Weaver, Lake Lure Flooring, Chimspector NC, Red Mountain, Great Western, and Hunt Pest Control.
- Lake Lure Flooring refinished the floor to smooth out beads of finish.
- GoForth Concert: 32 people have signed up so far. May be held in pavilion, depending on numbers. Josh will start at 7pm after refreshments. Tickets are \$35 each.
- The BCCC Board President's position is up for renewal this month. It was discussed and Chuck will continue as president for the next 3 years.
- Tom Loftus feels that we need to get younger people involved. He suggested that we talk to the Classical Academy for ideas. We are considering classes in family nutrition. Other ideas are to hold Girl Scout meetings at the center, combine with Lake Lure Baptist Church on youth events, and ask the younger generation "What would you like to see happen at the center?"
- Two local families have signed up for their family reunions: the Wilson family and the Murphy family.

Meeting adjourned 7pm.
