BCCC Board Meeting

Meeting called to order at 6:30 pm

- **President:** Chuck Landever
- **Treasurer:** Shirley Landever
- **Vice President:** Jane Howell
- **Secretary:** April Davis

MINUTES

- Minutes of the last meeting were read.

TREASURER'S REPORT

- Treasurers report was read. Donations, rental fees, and book sales, as well as expenses were outlined. We have an offer to match each \$2000 in donations.

OLD BUSINESS

- **Alan Toney questions about EMS response time:** Carrie Guiles with Rutherford County EMS contacted Shirley and said that when the LL station was on a call, they pull someone from another station to be on alert. Two recent calls were responded to in less than 15 minutes from Station 2 base. We agreed that we should have her come address concerns at one of our future Board Meetings.

UPCOMING EVENTS

- **Music Fun Day:** Chuck reported we were getting a good response from the community. Using flyers, banners (at the former Hardware Store and Dalton Store), and advertising will help get the word out. The FD donated hot dogs and buns. Cathy and John announced it at church on Sunday. Weather looks good, but we have a tent if needed. Ticket sales are increasing for the Raffle for TV and ½ cash.
- **Turkey Dinner:** Board is relying on Jane and VerAnn to help us help them with the Turkey Dinner they have successfully organized for years. This involves volunteers, menu, quantities, food sources, ingredients, donations, and even the type of sugar to use in the sweet potatoes. Jane asked for people to freeze leftover biscuits/bread or make cornbread for dressing. We discussed sending meals/leftovers to families who are in ill health or cannot travel. We discussed getting the flyers out at least 2 weeks ahead and setting the cost at \$15 for adults.
- **January Meeting:** Jake Johnson, State delegate will be speaking at our meeting January 10th. We will need signs and advertising to get a good turnout.
- **March Event:** We discussed having a St. Patrick's Day dinner in March.
